

## ADOPT-A-CLASS PROGRAM

Dear Supporter,

The Palm City Chamber of Commerce is pleased to announce that the 2011-2012 Adopt-A-Class campaign is underway. The Palm City Chamber of Commerce's Education Committee is thrilled and honored to commit our time and focus to one of the most successful programs for academic enhancement in Martin County. With the continued support of our dedicated community partners, classroom adopters, parents and area businesses, the students and teachers in Palm City and Martin County area schools have benefited from contributions totaling more than \$962,240 over the last 19 years.

I would like to encourage everyone to participate in meeting the critical challenges facing our schools in these difficult economic times. As leaders in the business community, it is our responsibility to focus on preparing our children and students for the ever-changing work environment of which they will soon be a part.

While we do not set a monetary goal, we seek to enhance the quality of our children's education by achieving 100% adoption of all classrooms in our community. We encourage you to become involved and make a difference in our community and in the lives of our children. Your \$200.00 contribution is worth volumes to a classroom teacher – volume of books, educational enrichment programs and so much more!

Thanks to our community partners, 100% of your classroom adoption will go directly to the classroom of your choice. The Education Committee would like to strongly encourage all supporters to consider adopting a classroom today!

The Adopt-A-Class program is an excellent means to reach out to your community and invest in our students. We encourage you to become our partner in education and to make a difference in the lives of our children, who will one day be our future community and business leaders.

Sincerely,  
*Paul Colby*

Paul Colby  
Education Committee Chairman
